

Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University or the University of California system (generally in those majors at the UC campus which are included in those offered in the College of Letters and Science) without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements.

Check with your counselor or the UC campus which you plan to attend at CSU. To use any AP COURSES at other colleges and/or Advanced Placement credit, check with your counselor. The minimum score required for AP is 3.

(GROUP A) English Composition: English 1A

Completed
