

MEDICAL ASSISTING PROGRAM

1860 Hayes Street San Francisco, CA 94117 TEL: 415-561-1821 FAX: 415-561-1999

Dear Prospective Student

Thank you for your interest in the City College of San Francisco Medical Assisting

The following information was obtained at the website of American Association of Medical Assistants (AAMA). For more information, go directly to their website at www.aamantl.org.

IS MEDICAL ASSISTING FOR YOU?

Are you looking for a meaningful job?

Clinical duties vary by state and include...

- Taking and recording patient vital signs
- Taking medical histories
- Explaining treatment procedures to patients
- Preparing patients for examination
- Assisting the physician during the exam
- Collecting and preparing laboratory specimens
- Performing basic laboratory tests
- Instructing patients about medication and special diets
- Preparing and administering medications as directed by a physician
- Authorizing prescription refills as directed
- Drawing blood
- Taking electrocardiograms
- Removing sutures and changing dressings

CMAAs are caring

Certified Medical Assistants give health care a human touch, helping patients to feel at ease in the doctor's office and to understand physicians' instructions. If you have good communications skills and are often appreciated for your caring manner, then you might be well suited for a career in medical assisting.

PROGRAM OVERVIEW

The Medical Assisting Program (MA) provides instruction and clinical experience to assist students in developing the theoretical and technical skills consistent with the medical, administrative, ethical, legal, accreditation, and regulatory requirements of the ambulatory healthcare delivery system.

The college and faculty are committed to providing a supportive learning environment for students. Faculty and health care professionals dedicated to the highest standards of professional excellence.

Students in the MA program may enroll and take courses on a part or full-time basis. The number of semesters needed to complete the programs will vary.

CURRICULUM

The Health Care Technology Department offers both a degree program and the Associate of Science and Certificate of Achievement programs. Students may transfer general education units from other accredited colleges and universities and may petition for credit by examination for some of the courses.

Medical Assisting AS Major - Active

Department: Health Care Technology

Approval: May 2021

Effective Semester: Fall 2021

Students who complete their training satisfactorily are prepared to hold positions as a medical assistant, medical receptionist, or office manager in the physician's office, hospital outpatient clinic, medical clinics, and health centers. The Medical Assisting Certificate Program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP), 9355 113th Street N, Suite 7709, Seminole, FL 33775, (727) 210-2350, www.caahep.org, on recommendation of the Medical Assisting Education Review Board (MAERB). Graduates who complete the Associate of Science in Medical Office Assisting also receive the Certificate of Achievement and are eligible to take the Certified Medical Assistant examination given by the American Association of Medical Assistants (AAMA). Students must hold a valid AHA Healthcare Provider CPR and First Aid card to complete the Internship.

Learning Outcomes

Upon completion of this program, students will be able to:

- Perform clinical procedures, laboratory tests, phlebotomy, and diagnostics.
- Use computer applications to create documents and perform medical record and billing activities.
- Practice infection control and adhere to OSHA and HIPAA regulations.
- Receive, communicate with, and support patients and staff.
- Collaborate in a culturally diverse health care environment and apply the principles of health care ethics and professional conduct with patients, staff, and the community.
- Compare the various certification exams for medical assistants.
- Describe the procedure for applying for the phlebotomy certifying exam and license.

The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units, major and GE, completed per semester.

Course	Units
Choose one of the following Anatomy and Physiology options:	
OPTION 1:	
BIO 106- Introduction to Human Anatomy and Physiology	4.00
OPTION 2:	
BIO 108- General Human Anatomy	4.00
AND choose one of the following Physiology options	
BIO 111- Human Physiology	5.00
BIO 112- Introduction to Human Physiology	4.00
Total:	4.00- 9.00
First Semester:	
HCT 61- Introduction to Health Care	2.00
HIT 50A - Medical Terminology I	3.00
HCT 67- Computer Applications in the Health Care Setting	2.00
EMT 14- First Aid and Cardiopulmonary Resuscitation	3.00
MED 55- The Electronic Health Record	3.00
MED 56- Administrative Procedures	3.50
Total:	16.50

Second Semester:	
HIT 50B - Medical Terminology II	2.00
HIT 57 - Disease Process	3.00
HIT 76 - CPT Coding	3.00
MED 49 - Clinical Procedures	5.50
MED 62 - Communication and Professionalism in Health Care	2.00
MED 70 - Medical Insurance Billing	2.00
MED 71 - Electronic Management of Financial Medical Records	2.00
Total:	19.50
Summer Session:	
HCT 82A - Professional Practice Preparation Certification	2.00
HCT 82B - Professional Practice Internship	3.00

Medical Administrative Assisting AS Major - Active

Department: Health Care Technology

Approval: May 2021

Effective Semester: Fall 2021

Students who complete their training satisfactorily are prepared to hold positions as a medical receptionist, admitting clerk, ward clerk, or office manager in the physician's office, hospital outpatient clinic, medical clinic, or health center. Students are eligible to sit for the Certified Professional Coder (CPC) or Certified Coding Specialist Physician Office (CCS) examinations. Students must maintain a grade of "C" or higher in each course.

Learning Outcomes

Upon completion of this program, students will be able to:

Receive, communicate with, and support patients and staff.

Apply the principles of medical coding and billing to insurance claims and other financial documents.

Use computer applications to create documents and update medical record and billing activities.

Apply the principles of health care ethics and professional conduct with patients, staff, and the community.

Apply for and pass the Certified Professional Coder (CPC) examination.

Assuming students start this AS with transfer level math and English eligibility, the minimum time for completion is 4 Fall/Spring semesters, plus one Summer semester. Completion time will vary based on student preparation and number of units completed per semester.

Course	Units
Required course:	
PSYC 1- General Psychology	3.00
Total:	3.00
Choose one of the following Anatomy and Physiology options:	
OPTION 1:	

MED 55 - The Electronic Health Record	3.00
MED 56 - Administrative Procedures	3.50
Total:	13.50
Second Semester:	
HIT 50B - Medical Terminology II	2.00

Medical Biller Certificate of Achievement - Active

Department: Health Care Technology

Approval: May 2020

Effective Semester: Fall 2021

This certificate program prepares students to complete medical insurance claims for physician offices and outpatient medical facilities. Students learn CPT and ICD-10-CM coding, medical terminology, disease processes, computer bookkeeping procedures and manual and computer insurance billing for commercial insurance, Medicaid, Medicare, Worker's Compensation, and managed care plans.

Learning Outcomes

Upon completion of this program, students will be able to:

Assign CPT codes to outpatient services and procedures.

Assign ICD-10-CM codes to diagnoses.

Perform insurance billing procedures necessary for entry employment in an ambulatory health care setting.

Apply and sit for the Certified Professional Coder (CPC) examination.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Course	Units
First Semester:	
BIO 106 - Introduction to Human Anatomy and Physiology	4.00
HIT 50A - Medical Terminology I	3.00

HCT 104- Phlebotomy Technician	5.50
Total:	19.00
Second Semester:	
HIT 50B - Medical Terminology II	2.00

Medical Clinic Assisting Certificate of Achievement- Active

Department: Health Care Technology

Approval: May 2021

Effective Semester: Fall 2021

Students who complete this certificate successfully are prepared to hold positions as clinic assistants. Students have the option of completing additional courses for a Certificate of Achievement in Medical Assisting. Students receive training in anatomy and physiology, medical terminology, computer applications and administrative procedures, the electronic health record, disease processes, communication and professionalism, and clinical procedures. Students will complete an internship and must hold a valid CPR Health Provider card and a HIPAA Awareness Training certificate.

Learning Outcomes

Upon completion of this program, students will be able to:

Practice infection control and adhere to OSHA regulations.

Perform clinical procedures effectively, including injections and skin punctures, laboratory tests, and diagnostic studies.

Use computer applications to create documents, communicate, and support patients and staff.

Collaborate in a culturally diverse health care environment, applying the principles of health care ethics and professional conduct.

The minimum time for completion of this certificate is two semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.
