It is the policy of the San Francisco Community College District to encourage and facilitate full and equitable business opportunities, specifically in the area of construction contracting, for all small businesses wishing to do business with the District.

It is the policy of the San Francisco Community College District to encourage the lowest responsible bidder meeting

contracting goal

for small business on projects valued greater than \$250,000 and grant a preference, up to a maximum of 5 percent, to those bidders who meet the goal. The District shall require bidders to make good faith efforts to meet a subcontracting participation goal for small business contracts. Bidders that fail to meet the goal shall demonstrate that they made good faith efforts to utilize small business contractors.

The Board shall provide preferences for small local business enterprises ~~into that~~ are not subject to bidding requirements to the extent permitted by law.

For purposes of this policy, "small business enterprise" means an independently owned and operated business which is not dominant in its field of operation, the principal ~~office~~ of which is located in California, the officers of which are domiciled in California, and which, together with its affiliates, has
